What Do I Need? Your Registration Checklist

☐ Your name and date of birth
☐ NJ medical and CDS license numbers
☐ You must certify in writing to your:
  • Professional license and good standing
  • CDS number
  • Patient's qualifying condition
  • Your completion of addiction and pain management education in past 2 years
☐ Complete online registration forms, create accounts for your office to use in updating patient records
☐ Sign a certification statement (see below)

Physician Certification. I have a bona fide and ongoing relationship with this patient as defined by N.J.A.C. 8:64 et. seq., and as such have completed a comprehensive history and physical on this patient and have documented an assessment and treatment plan. This patient may benefit from the use of medicinal marijuana. I have provided education to the patient on the lack of scientific consensus for the use of medical marijuana, its sedative properties and the risk of addiction. The patient has provided informed consent. I will continue to follow this patient at a minimum of every three months and reassess the patient's debilitating medical conditions and response to treatment options. This is not a prescription for the use of medical marijuana. Additionally, if the patient ceases to suffer from the identified debilitating condition, I certify that I will notify the Department in writing.

What Does My Patient Need? Your Patient Checklist
